Dear Dr. Zasic:

We have received your papers, "The Universal Spiritual Alliance" and "A Short History of Ephesus." I need not say that they have been read with very great interest. After having received these documents, we have reached the conclusion that the objectives they put forth would be much better advanced by some other Agency of the government, such as the Department of State, or perhaps some such non-governmental organization as the National Council of Churches.

With sincere thanks for calling this matter to our attention.

Sincerely,

Signed

- ECCLESIASTICAL APPROVAL OF THE BOOK,

- INVOCATION AND INSPIRATION
- IN THE BEGINNING.....
- CHRIST'S PRIESTLY PRAYER WITH A PRAYER TO SAINT  
JOHN THE DIVINE FOR UNITY OF THE CHRISTIAN CHURCH

1. THE FIRST FOUNDERS OF EPHESUS, THE IONIANS (10th century B.C.)

An IONIAN TRIBE, under the leadership of Androktios, settled down at the Great Gulf of Ephesus -- Ephesus' great glory: the world-wide known temple and pilgrimage place to the goddess Artemis -- The famous King of Lydia, Croesus, gave his fabulous resources to the temple -- Herostratos set the temple on fire -- A new temple was built which became the seventh Wonder of the World.

2. THE SECOND FOUNDER OF EPHESUS, LYSIMACHOS, SUCCESSOR OF ALEXANDER THE GREAT OF MACEDONIA (Fourth century B.C.)

Ephesus had to relocate in an attempt to keep in touch with the sea -- Lysimachos protected the new city area with walls and towers -- Ephesus entered the Roman Empire, this is the era of its greatest expansion, during the so-called "PAX ROMANA" (Roman Peace) -- Because of their famous temple, Ephesus and Asia Minor became "The Cradle of the Hellenic Civilization"

3. THE CHRISTIAN EPHESUS

To that great, pagan city of Ephesus, Our Lord sent His first panel of men -- Five Apostles -- St. Peter established the first church in Asia Minor -- With St. John came to Ephesus the Blessed Virgin and St. Mary Magdalene -- Asia Minor and Ephesus take an important part in Christianization of the East

- IF YOU WANT to know about WHERE and HOW the Blessed Virgin Mary was proclaimed MOTHER OF GOD, and where she ACTUALLY LIVED and so a well established tradition might presumably have also died; further about the long and glorious life of ST. JOHN, Apostle and Evangelist, the places where he LIVED AND WORKED for His Divine Master, wrote his Gospel and Epistles, and where he finally died; if you want to know about St. Mary Magdalene, the greatest penitent of all times, and her tomb, and how she became an eye-witness of almost all manifestations of resurrection and finally also of the Resurrection of our Redeemer, too.
- If you want to learn more about the glorious and miraculous life of St. John and his Basilica, one of the greatest and most magnificent churches of early Christianity, where during long centuries the largest pilgrimages from the whole world flowed.
- If you want to get more familiar with the FIRST MARYEN (MARIEN) church in the world the Basilica of the Divine Maternity of the Blessed Virgin Mary, a church which would be even today the longest church in the world.
- If you want to be fully informed about the FIRST ACT OF PUBLIC CONFIRMATION AND VENERATION THE CHURCH officially and dogmatically enacted, in honor of the Virgin Mary, about a dogma which became fundamental for the whole Christian Mariology, and Christology as well, a dogma finally which became a powerful and inexhaustible source wherefrom subsequently came, during more than 1,500 years, all the honors and deepest and most beautiful devotions toward the B.V. Mary; honors and devotions culminating in the dogma of the IMMACULATE CONCEPTION proclaimed by Pope Pius IX. in 1854 and the latest dogma of ASSUMPTION, proclaimed in 1950 by Pope Pius XII.
- If you want to realize how deeply are united EPHESUS AND ROME, the Oriental and Occidental parts of the One, Apostolic and Universal Church, united through the same work inaugurated in Ephesus and afterward developed and crowned in Rome.
- If you are looking for a good opportunity to fully understand the ecumenical movement launched by Pope John XXIII in the light of St. John, the Apostle and first saint of unity and primacy of St. Peter, a movement which, among many other things, opens new hopes and horizons to the whole world.
- If you want to have a look into the UNIQUE COMMON SHRINE of all Christians and Moslems, where - according to the Koran even though originally a Christian sanctuary - the first trumpet of the Last Judgment has to sound and where Our Lord has to judge all men, of all nations, races and generations; where finally the Seven Sleepers with Mary Magdalene are waiting the Lord to be again witnesses of the general resurrection of all men with their souls and bodies.
- Finally, if you want to see in what a shameful stage now the whole Christian world are today these most holy places of early Christianity, exposed thus to all kind of voluntary and involuntary sacrifices and total destruction.
- If you are eager to know what has been undertaken by a small group of responsible and devoted Christians having in mind to preserve these most precious places of our Dawning Church, in doing it in honor and in the special Apostolic benediction of the Holy Father, Pope John XXIII.
